OMGAA, the Osseo/Maple Grove Athletic Association is sponsoring it's Second Annual Scholarship Golf Event and Silent Auction to support our Academic Scholarship and Special Olympics programs.

The OMGAA Adapted (Special Olympics) Softball program was established in 2001 with 18 athletes competing in the Special Olympics regional and state tournaments. Since that time, we have grown to over 80 athletes. OMGAA is the first community based youth sports program in the twin cities to offer Special Olympics teams under its association umbrella. Athletes play for reduced or waived fees, and no athlete is turned away.

The OMGAA Academic Scholarship program awarded its first \$1000.00 scholarships in 2004. Scholarships are awarded to graduating area seniors that have played in the OMGAA while attending school as a freshman, sophomore or junior. Scholarships are awarded annually, based on Academic Performance without regard to athletic achievement. Since its beginning, the Academic Scholarship program OMGAA has awarded \$8,000.00 in college scholarship funds to graduating OMGAA members.

The OMGAA Scholarship Golf Event raises funds to continue and expand these programs. Your participation and tax deductible contributions are greatly appreciated, and we thank you for your support. To sign up, clip and mail this registration form (make as many copies as you need) along with your check.
